Summary

In the wake of the Dark Lord's triumph over Harry Potter, the defeated must learn their new place. Hermione Granger, former Golden Girl, has been captured and reduced to human chattel. Sold to the highest bidder as the top prize at an auction of Order members and sympathizers, she is thrust into the rabid, waiting hands of the Death Eaters. But despite the horrors of Voldemort's new world, help—and hope—seem to arise from the most unlikely of places.

PART 3 of the RIGHTS AND WRONGS series.
